

Where to Begin

Always start with Prompt 00 — it reads your situation and tells you exactly which prompts to run and in what order.

APPLYING THROUGH COMPANY CAREER SITE

00 → 01 → 02 → 04 → 06

Router, analyze the JD, extract keywords, build the ATS resume, then audit it before submitting.

APPLYING VIA RECRUITER OR GREENHOUSE

00 → 01 → 05 → 08

Router routes you to the human-readable version — recruiter resume plus a targeted cover letter.

RESUME NEEDS A FULL REWRITE

00 → 03 → 04 → 07

Build the strategy first, generate the new resume, then optimize every bullet for maximum ATS impact.

EXISTING RESUME NEEDS QUICK FIXES

06 → 07

Audit first to get a scored report, then use the Bullet Optimizer on the flagged weak sections only.

APPLYING TO BULLHORN / STAFFING AGENCY

00 → 02 → 05

Router sends you to the staffing path — keyword library focused on recruiter database searchability.

INTERVIEW SECURED — PREPARE NOW

09 → 10

Align your LinkedIn with the resume, then generate full interview preparation including STAR responses.
